

GREEN PLANET PEROXIDE CLEANER

Hydrogen Peroxide Cleaner Concentrate

- ***Oxygen Activated Cleaning***
- ***Orange Oil Penetrating Power***
- ***Destroys Odors while cleaning***

Surfactants dissolve and suspend soils in water. The Oxygen present in Hydrogen Peroxide activates the surfactants and increases their effectiveness. A fine citrus odor penetrates surfaces and fibers sending the cleaning agents deep into the soils and stains. Odors are destroyed while providing color safe bleaching action. Give GREEN PLANET PEROXIDE CLEANER plenty of contact time and let it do the work for you.

- No Added Dyes
- No Chelating Agents
- No Silicates
- No Butyl or Glycol Ether Solvents
- No Caustics
- No Nonylphenol Ethoxylates
- No Phosphates

Typical Properties:

| | |
|----------------------------|---------------|
| Percent active Oxygen..... | 7.0-8% |
| pH (As is) | 2.20 |
| Biodegradability | Complete |
| Flammability | Non-flammable |
| Solubility in water | Complete |
| Weight per gallon | 8.60 lbs |

GREEN PLANET PEROXIDE CLEANER

El Agua oxigenada Multi Limpiador

One product replaces Individual glass cleaners, spray and wipe cleaners, degreasers, mopping solutions, carpet spotters, pre-sprays and bathroom cleaners.

ALWAYS PRE-TEST FOR COLORFASTNESS IN AN INCONSPICUOUS AREA BEFORE USE. DO NOT USE THIS PRODUCT ON MARBLE AND OTHER ACID SENSITIVE SURFACES. DO NOT USE WITH METAL DRUM PUMPS.

Do not mix more than intended use. Do not reuse containers. Dilute with unheated water.

Directions for Use:

Glass Cleaner

Dilute at 1:256 (1/2 oz.) for everyday glass and mirror cleaning. Spray surface and wipe with a lint free cloth.

Light Duty Cleaning

Dilute at 1:64 to 1:32 (2 oz./gal. to 4 oz./gal) for everyday light duty cleaning. Spray surface and wipe with sponge, brush, mop or other cleaning cloth.

Medium Duty Cleaning

Dilute at 1:32 to 1:20 (4 oz./gal. to 6 oz./gal.) of water. Spray surface and wipe with sponge, brush, mop or other cleaning cloth.

Heavy Duty Cleaning

Dilute at 1:20 to 1:10 (6 oz./gal. to 12 oz./gal.) of water. Spray surface and wipe with sponge, brush, mop or other cleaning cloth.

Super Duty

Dilute at 1:10 to 1:5 (12 oz/gal to 24 oz/gal) of water for tile and grout, spots and stains, odor elimination and as a degreaser. Spray surface and wipe with sponge, brush, mop or other cleaning cloth.

Mop and Bucket:

For daily damp mopping, dilute 1:128 (1 oz./gal.). Pick up soil and excess cleaner with clean mop. Rinse mops frequently and change solution as needed.

WARNING: Irritant Keep out of reach of children. Not for household use. Do not take internally.

Contains: Water and surfactants combined with Hydrogen Peroxide.

Prolonged or repeated contact with skin or eyes can cause irritation and reddening. May be harmful if swallowed. Do not get in eyes, on skin or on clothing. Avoid breathing product mist. Wash thoroughly after handling.

This product is designed exclusively for industrial use by trained professional maintenance personnel. Label directions and Material Safety Data Sheet (MSDS) precautions must be followed exactly. Manufacturer/Distributor will not be responsible for any injury, loss or damage if product is used in any manner inconsistent with label directions, or if MSDS precautions are not observed.

Health Hazard Ratings

(0-Least; 1-Slight; 2-Moderate; 3-High; 4-Extreme)

Health – 1
Flammability – 0
Reactivity – 1

First Aid:

Skin: Wash affected area with cool water. If irritation persists, seek medical attention.

Eyes: Hold eyelids open while flushing eyes with water for 15 minutes. Get medical attention.

Ingestion: Do not induce vomiting. If conscious, promptly drink large volumes of milk, egg whites, or water. Get medical attention. Never give anything by mouth to an unconscious person.

Inhalation: Remove victim to fresh air. If breathing remains difficult, seek medical attention.

DISPOSAL AND/OR SPILL INFORMATION: As with all cleaning and maintenance procedures, run-off from the cleaning or maintenance process should be diverted to a collection vessel, or where permitted, to a sanitary sewer (consult local and state regulations) and not allowed to soak into the ground or to enter a storm sewer. If this product is spilled or contaminated and cannot be used, creating the need for disposal, absorb product on an inert absorbent material, such as and deposit in a clean, sealable container for disposal. Rinse area well with water. Empty product containers may be recycled in areas where community recycling programs are

available.

La precaución: Si usted no puede leer inglés, no utiliza este producto hasta que la etiqueta haya sido explicada completamente a usted.

Material Safety Data Sheet

Health – 1 Flammability – 0 Reactivity – 1

Section I Company Information

Product Name: **GREEN PLANET PEROXIDE CLEANER**
Company Name: INTERCHEM, INC.
Address: 3501 N. BROADWAY ST. LOUIS, MO. 63147
Phone: 314-436-1300
Emergency: 800/535-5053

Proper Shipping Name: Non Regulated
Identification No: Not Applicable
Hazard Class: Not Applicable
Generic Description: Water Soluble Cleaner Concentrate

Section II Hazardous Ingredients

| CAS No | Ingredient | % |
|-----------|-------------------|-----|
| 7722-84-1 | Hydrogen Peroxide | < 8 |

Section III Physical Data

Boiling Point: 212 F Specific Gravity: 1.03
Vapor Pressure: Not Determined Percent Volatiles: Not Determined
Vapor Density: Less than Air H₂O Solubility: Complete
Evaporation Rate: Slower than n-Butyl Acetate
Appearance & Odor: Clear Liquid, Citrus Fragrance Added
pH (Concentrate): 2.20 pH (1:10): 2.90

Section IV Fire & Explosion Data

Flash Point: None
Extinguishing Media: Foam or carbon dioxide or dry chemical.
Firefighting Procedure: Wear self-contained breathing apparatus with a full face piece operated in pressure-demand or other positive pressure mode when fighting fires.

Section V Health Hazard Data

Eyes: Can cause mild to moderate irritation.
Skin: Prolonged or repeated contact can cause moderate irritation, defatting, dermatitis.
Breathing: Excessive inhalation of vapors can cause nasal and respiratory irritation.
Swallowing: Can cause gastrointestinal irritation, nausea, vomiting, and diarrhea.
First Aid Procedures:
Eyes: Irrigation of the eye immediately with water for ten minutes is good safety practice.
Skin: Wash off in flow water or shower. Wash clothing before reuse.
Inhalation: Remove to fresh air if effects occur. If respiration stops, give mouth-to-mouth resuscitation. Administer oxygen if available. Call physician and/or transport to medical facility.
Ingestion: Seek medical attention. Unless advised otherwise, induce vomiting by giving either syrup of ipecac followed by 2 glasses of water or by sticking finger down throat. Do not give anything by mouth if the person is drowsy, unconscious or has no gag reflex.

Section VI Reactivity Data

Hazardous Polymerization: Will not occur
Stability: Stable
Incompatibility: Avoid strong oxidizing agents.

Section VII Spill & Leak Procedures

Response to spills: Stop discharge, if it can be performed safely, and contain material. If a substantial quantity is spilled, recover with pump or vacuum. Otherwise, use an absorbent material. Place contaminated material in a suitable container for disposal. Do not flush to sewer, stream or other bodies of water.

Section VIII Protective Equipment

Respiratory Protection: A NIOSH/MSHA jointly approved air supplied respirator is advised. Engineering or administrative controls should be implemented to reduce exposure.
Ventilation: Provide sufficient ventilation.
Protective Gloves: Wear chemical resistant gloves such as nitrile rubber.
Eye Protection: Chemical splash goggles are advised.
Other Protective Equipment: Wear impervious clothing.

Section IX Special Precautions

Precautions to be taken in Handling and storage: Handle with reasonable care. Avoid breathing vapors. Store in a cool dry place. Dispose of empty containers in accordance with local, state and federal guidelines.

Warranty Information - Please Read Carefully:

INTERCHEM, INC. believes that the information in this literature is an accurate description of the typical characteristics and/or uses of the product, but it is your responsibility to thoroughly test the product in your specific application to determine its performance, efficacy and safety. INTERCHEM, INC. provides the sole warranty that the product will meet our current sales specifications. Your exclusive remedy and INTERCHEM, INC.'s only liability for breach or warranty is limited to refund of the purchase price or replacement of any product shown to be other than as warranted, and INTERCHEM, INC. expressly disclaims any liability for incidental or consequential damages.
